Flag Salute

I pledge allegiance to my flag and to the republic for which it stands; one nation indivisible, with liberty and justice for all.

PATRONS:

Let us encourage prompt opening of Grange meetings by being prompt ourselves.

Visiting Patrons Always Welcome.

Other Granges oft remind us
We could make our Grange just fine
If our fellow patrons help us
By their presence every time,
Here a handshake, here a smile,
Story, luncheon, song or jest,
If you wish a good live Grange room
Each of you must do your best.

Build thee more stately mansions,
O my soul,
As the swift seasons roll!

Shut thee from heaven with a dome more

Till thou at length art free,
Leaving thine outgrown shell by life's

QUALITY

Profits from poultry and cows depend upon economical production—a factor influenced greatly by the producing power of the feed a dollar will buy. Quality — not price — is the key to the producing power of feed.

Eastern States Farmers' Exchange

A non-stock, non-profit organization owned and controlled by the farmers it serves.

Every Mother Should Read This !

Mrs. Alexander Bradley of Danbury, Conn., says: "After 14 Long Years trying different remedies I have at last found a good medicine.

DR. TRUE'S ELIXIR

I was nearly discouraged. I was giving my oldest girl something every night, but now I keep a bottle of Dr. True's Elixir handy, and only give it occasionally.

I have tried so many things—but now as soon as I see signs of worms, I give Dr. True's Elixir,

THE TRUE FAMILY LAXATIVE

for quick relief." Made of strictly pure-quality herbs. Family size $1.20; other sizes 60c and 40c.

SUCCESSFULLY USED FOR OVER 76 YEARS

"Have you broken the ice, at least once or twice,
To fish for Cusk or Trout,
Have you snow-shoed the trail where the weak and the frail
Admit that they're petered out;
Have you climbed to the sky for a ski-jump try
And zipped along like a streak;
Have you shouted aloud when some snow-filled cloud
Smothered a mountain peak;
Have you skated along to a wind-hummed song
Where the ice gleamed black as jet:
Have you tried it 'bo' - if you say, 'No,'
You ain't tried nothin' yet."
